Hurley - West St. Paul - **one opening for a male resident**

Hurley serves individuals with a mental health diagnosis. In addition, Hurley is certified as a Mental Health home. A mental health specialist from Opal visits the home weekly to meet with the men that live there and see if they are interested in sharing personal concerns or maybe play a game of cards. Hurley service recipients enjoy going out into the community on shopping outings, restaurant visits, movie theaters or visiting with family and friends. They also help with yard work, gardening, and grilling during the warmer months.

Hurley is a one-level home with a basement. The main floor contains a common living room, bathroom, kitchen and three bedrooms. Just off the kitchen, a stairway leads down to the finished basement. On this level, there is a laundry room, bedroom, furnace room, office, and recreation room. The recreation area has a pool table. There is a wood-burning fireplace in the recreation room; however, the wood-burning fireplace is not in use. Hurley also has a three-season porch that is located between the kitchen and the attached garage. Located off the back of the screened porch is a patio area where the grill is located. There is a gradual cement ramp from

the street to the front door. The home is located within a mile of Robert Street and near the bus line. This street has many opportunities for various restaurants and retail stores for shopping, as well as employment opportunities.

The home is staffed 24/7, sometimes with double staff on evenings during the week (Monday through Thursday), and on weekends Hurley has asleep overnights.

Nordic Park – Apple Valley- **Opening for male resident**

Nordic Park is located in Apple Valley near the Minnesota Zoo. Nordic Park is a split-level home, made of standard wood construction. There is an attached garage, with one larger door and a motorized garage door opener. The home has a very nice yard and is located on a relatively flat corner lot. The backyard is very large and has the appearance of a park. The main entry is located to the right of the garage door. There is also an entry to the house from the garage. This entry leads right into entryway of the home. There is also an entrance through the sliding glass doors off the deck at the back of the home.

The main level of the home has two bedrooms, and the basement has two additional bedrooms. The main level bedrooms are used for two of the service recipient bedrooms. One of the bedrooms on the lower level is occupied by a service recipient, the other bedroom is the staff office. In addition, each level of the home has a bathroom. The kitchen and dining area are on the upper level, while the lower level contains the laundry room/furnace room.

Nordic Park is not currently staffed during the hours of 9am to 3pm due to the service recipients' day program schedules. However, the Program Coordinator is available during those hours to assist with service recipient appointments and transportation.

For more information on Nordic Park please contact Alison Staples at 612-790-4210 or astaples@opalservicesmn.com

Southview - South St. Paul - **two openings for a male resident**

Southview is close to much of the South St. Paul and West St. Paul communities and has easy access to bus lines for people who can utilize this service. Staff at Southview assist with meal preparation, community integration, medication management, medical appointments, personal cares, and general housekeeping tasks. The house is staffed 24 hours a day. Overnight staff sleep on site for emergency response. Southview staff are familiar with mental health diagnoses and a mental health specialist from Opal visits the home regularly for face-to-face check-ins, should the men be interested in these services. Individuals living at Southview like to stay busy either by working, attending supported employment programs, day programs, or engaging in daily community outings with staff OR independently, as their personalized programming allows.

The house has a split-level, with a living room, dining room, kitchen, two bedrooms and a bathroom upstairs. Downstairs there is a second living area, two bedrooms, a bathroom, and a laundry room. There is a large, well-kept back yard with patio furniture, should any service recipient enjoy spending time outdoors.

For more information on Southview please contact Alison Staples 612-790-4210 or astaples@opalservicesmn.com

Vista View - Burnsville - **two openings for a male resident**

Vista View is a beautiful four-bedroom home located in Burnsville with three bedrooms on the main level and one bedroom on the basement level. Vista View is located just minutes away from Vista View Park and less than ten minutes away from County Road 42, where there are tons of shopping venues and dining attractions.

The age range for the men at Vista View is from 57 to 78. The men currently attend day programs (for recreation and leisure) or have employment services provided by another agency.
