

Opal Services Openings

Gold Trail - Eagan - one opening for a male resident

The home has three bedrooms on the main level and one bedroom in the basement. It located minutes from the Eagan Outlet Mall and transit station, as well the Yankee Doodle Road shopping and dining attractions.

The men at Gold Trail range in age from 55 to 73, but new service recipients are not limited to that age range. The men attend a day program daily. They are very active in utilizing the resources available to them in the surrounding community.

Gold Trail is staffed from 2:15pm to 8am (based on service recipient day program schedules) Monday through Friday, with the Program Coordinator available during the day for service recipient appointments and transportation. There is a second staff person available three nights each week and every other week on the weekends. Gold Trail is asleep overnight staff.

For more information on Gold Trail please contact Alison Staples at 612-790-4210 or astaples@opalservicesmn.com

Gilbert - South St. Paul - one opening for a male resident

Gilbert is home to adult men with intellectual disabilities and mental health issues. The men currently at Gilbert range in age from 42 to 77. Gilbert service recipients enjoy going out into the community on shopping outings, restaurant visits, movie theaters, or visiting with family and friends. All three residents attend a day program, though they may not attend on a recognized basis.

The home is located in a very quiet residential area of South St. Paul. In addition, Gilbert is also equipped with a house van that staff use when they go on outings with Service Recipients and for medical appointments. The home is located within two - three miles of Robert Street. This street has many opportunities for various restaurants and retail stores for shopping. Gilbert is a rambler-style home with three bedrooms on the main level. Current service recipients exhibit mild to moderate maladaptive behaviors on a regular basis. Staffing is co-ed. Gilbert is asleep overnight staffing.

For more information on Gilbert please contact Wendy Rehwaldt Haagenson at 651-842-9025 or wrehwaldthaagenson@opalservicesmn.com

Coachman -Eagan - one opening for a female resident

Coachman is a four bedroom, split entry home located in Eagan. The three persons who live there now are women who range in age from 51 to 60. They all attend a day program. They are all profoundly to moderately ID and do have some verbal skills. They are pleasant, low-key women

who like to be active in the community. There is double staff during most peak hours of the afternoon and evening. There is sleep staff overnight. From the entryway, there are steps leading down to a lower level where there are two bedrooms, a bathroom, the Program Coordinator's office, laundry room, and some leisure space. Upstairs there are two bedrooms, the living room, dining room, kitchen, and a bathroom. The open bedroom is downstairs. There is a large deck off the back of the house and a fenced backyard. This is a well-organized and managed home. The staff are stable and have experience working with middle-aged ID women. Coachman is asleep overnight staffing.

For more information on Coachman please contact Alison Staples at 612-790-4210 or astaples@opalservicesmn.com

Slater - Eagan - one opening for a female resident

Slater has a Mental Health Certification and serves adult women living with mental health diagnoses, as well as other disabilities. The current age range is 38-56, but new service recipients could be outside of that age range. Many women have successfully used Slater to stabilize their mental health and develop independent living skills so they could move to more independent settings. A goal for the women living at Slater is to become an integrated part of their community, which includes competitive employment, day programs, day treatment, volunteering and an active social life which often includes friends and family.

This house is a split-level home with two bedrooms up and two bedrooms down. There is one bathroom on each level. The house has a deck off the kitchen, where the service recipients often sit when the weather is nice. Slater is centrally located in Eagan. The home is located minutes away from various stores, banks and restaurants. There is a city bus stop within walking distance from the home. Metro Mobility is also used for transportation by the service recipients at Slater. The house is staffed 24/7 and is double-staffed evening hours and some weekend hours. The overnight staff has sleep hours from 11pm-6am.

For more information on Slater please contact Wendy Rehwaldt Haagenson at 651-842-9025 or wrehwaldthaagenson@opalservicesmn.com

Candace-South St Paul - one opening for male or female resident

Candace has an opening for a male or female, Candace is a 2 level 3 bedroom home with co-ed service recipients and co-ed staffing with asleep overnight staff.

Candace SLS is a 3 bed facility located at the south end of South St. Paul, in a well-managed and maintained duplex. The duplex has two levels. Each level has two bedrooms, bathroom, living room, dining room, and kitchen. The laundry facilities are located in the basement. The duplex is located two blocks from a bus line and a short drive to stores, restaurants, a movie theater, coffee shops and bowling alley. Staff at Candace assist with meal preparation, community integration, medication management, medical appointments, personal cares and general housekeeping tasks. Individuals living at Candace like to stay busy either by working, attending supported employment programs or going to day programs. The individuals enjoy going on community activities such as

library, church, museums, arts centers, movies, going out to eat, Minnesota Twins games, Come As You Are social group, fairs, and festivals.

For more information on Finch please contact Ashley Wagner at 612-760-8088 or awagner@opalservicesmn.com

Southview - South St. Paul - one opening for a male resident

There are three males ranging from their mid-20's to mid 60's in age with a wide range of functional levels living in the home. Southview is located in close proximity to much of the South St. Paul and West St. Paul communities, and has easy access to bus lines for people who can utilize this service. Staff at Southview assist with meal preparation, community integration, medication management, medical appointments, personal cares and general housekeeping tasks. The house is staffed 24 hours a day. Overnight staff sleep on site for emergency response. Southview staff are familiar with mental health diagnoses and a mental health specialist from Opal visits the home regularly for face-to-face check-ins, should the men be interested in these services. Individuals living at Southview like to stay busy either by working, attending supported employment programs, day programs, or engaging in daily community outings with staff OR independently as their personalized programming allows.

The house is a split-level, with living room, dining room, kitchen, two bedrooms and a bathroom upstairs. Downstairs there is a second living area, two bedrooms, a bathroom and the laundry room. There is a large, well-kept back yard at the home with patio furniture, should any service recipients enjoy spending time outdoors.

For more information on Finch please contact Lee Sprute at 612-772-5956 or awagner@opalservicesmn.com

Hurley - West St. Paul - one opening for a male resident

Currently, there are three males living at this home. The age range of these service recipients is from 19 to 70. Typical males living at this home are high functioning and have mental health issues. Hurley is certified as a Mental Health home. The home is staffed 24/7, sometimes with double-staff on evenings during the week (Mon. thru Thursday) and on weekends. Hurley service recipients enjoy going out into the community on shopping outings, restaurant visits, movie theaters, or visiting with family and friends. They also help with yard work, gardening and grilling during the warmer months. The open room is located on the main level of the home with easy access to the bathroom, kitchen, and living areas.

Hurley is a one level home with a basement. The home's main floor contains a common living room, bathroom, kitchen and three bedrooms. Just off the kitchen, a stairway is found that leads down to the finished basement. On this level, there is a laundry room, bedroom, furnace room, office, and recreation room. The recreation area has a pool table. There is a wood-burning fireplace in the recreation room. This wood-burning fireplace is not in use. Hurley also has a three-season porch that is located between the kitchen and the attached garage. Located off the back of the screen porch is a patio area where the grill is located. There is a gradual cement ramp

from the street to the front door. The home is located within a mile of Robert Street and near the bus line. This street has many opportunities for various restaurants and retail stores for shopping, as well as employment opportunities. Hurley is asleep overnights.

For more information on Hurley please contact Kevin Johnson at 651-842-9013 or kjohnson@opalservicesmn.com

Pontiac SLS- Mendota Heights - one opening for a male resident

Currently, there are three males living at this home. The age range of these service recipients is from 26 to 32. Pontiac service recipients enjoy going out into the community on shopping outings, restaurant visits, movie theaters, or visiting with family and friends. Most of these gentlemen spend quite a few weekends with their families, away from Pontiac. The open room is located on the main level of the home with easy access to the bathroom, kitchen, and common areas. Pontiac also has a very nice yard that both staff and Service Recipients like to enjoy during the warm summer months.

Pontiac residence is a one level home with a basement built of conventional material. The buildings main floor contains a common living room, bathroom, kitchen, three bedrooms, and a wood - burning fireplace in the living room. Just off of the kitchen, a stairway leads to the basement. The basement contains the laundry room, staff office and another bedroom. The home is located in a very quiet residential area of Mendota Heights. In addition, Pontiac is also equipped with a house van that staff use when they go on outings with Service Recipients and for medical appointments. The home is located within four miles of Robert Street. This street has many opportunities for various restaurants and retail stores for shopping.

For more information on Pontiac please contact Tamara Renwick at 651-842-9012 or trenwick@opalsrevicesmn.com
