

Opal Services Openings

Coachman -Eagan - one opening for a female resident

Coachman is a four bedroom, split entry home located in Eagan. The women who live there range in age from 54 to 62. There is day staffing as some of the women attend day program while others have chosen to stay home. They all have a mild to moderate intellectual disabilities, mild mental health diagnoses and aging related medical concerns. They are pleasant, low-key women who like to be active in the community and in their home. They frequently utilize the Town Centre Shopping area which includes; a Wal-mart, Cub, and several fast food restaurants. At home they enjoy completing puzzles and participating in craft activities. Coachman staff assist the service recipients with: daily cares, medical appointments, managing health concerns, medication administration, maintaining the household, and engaging in recreation and leisure activities.

There is double staff during most peak hours of the afternoon and evening. There is sleep staff overnight. From the entryway, there are steps leading down to a lower level where there are two bedrooms, a bathroom, the staff office, laundry room, and some leisure space. Upstairs there are two bedrooms, the living room, dining room, kitchen, and a bathroom. The open bedroom is upstairs. There is a large deck off the back of the house and a fenced backyard.

For more information on Coachman please contact Alison Staples at 651-842-9019 or astaples@opalservicesmn.com

Gilbert - South St. Paul - three openings for a male resident

Gilbert is home to adult men with intellectual disabilities and mental health issues. The men currently at Gilbert range in age from 44 to 79. Gilbert service recipients enjoy going out into the community on shopping outings, restaurant visits, movie theaters, or visiting with family and friends. All three residents attend a day program, though they may not attend on a recognized basis.

The home is located in a very quiet residential area of South St. Paul. In addition, Gilbert is also equipped with a house van that staff use when they go on outings with Service Recipients and for medical appointments. The home is located within two - three miles of Robert Street. This street has many opportunities for various restaurants and retail stores for shopping. Gilbert is a rambler-style home with three bedrooms on the main level. Current service recipients exhibit mild to moderate maladaptive behaviors on a regular basis. Staffing is co-ed. Gilbert is asleep overnight staffing.

For more information on Gilbert please contact Beth Sanftner at 651-842-9018 or bsanftner@opalservicesmn.com

Glazier- Apple Valley- one opening for a female resident

Glazier serves adult women who may have mild to moderate intellectual disabilities and some mild mental health diagnoses. The current individuals living here range from 45-60 years old. Everyone attends a day program or works during the day. Staff assist with food preparation, housekeeping tasks, personal cares, medication management, medical appointment transportation, and activities in the community. The women the live at Glazier are encouraged to participate as much as they are willing and able to.

The house is located just off Cedar Avenue and has 3 bedrooms upstairs and 1 downstairs. The home offers ample relaxation space both inside and outside and features a 4-season porch off the back of the home, and patio & gazebo areas in the yard

There are many shopping and dining options located minutes from the home, as well as the Apple Valley transit station for those who utilize public transportation. The service recipients use the local community for shopping, eating out, attending community education classes, and some of the individuals use the nearby community center for getting exercise.

For more information on Glazier please contact: Maddie Noonan 612-961-8401 or mnoonan@opalservicesmn.com

Gold Trail - Eagan - two openings for a male resident

The home has three bedrooms on the main level and one bedroom in the basement. It located minutes from the Eagan Outlet Mall and transit station, as well the Yankee Doodle Road shopping and dining attractions.

The men at Gold Trail range in age from 55 to 73, but new service recipients are not limited to that age range. The men attend a day program daily. They are very active in utilizing the resources available to them in the surrounding community.

Gold Trail is staffed from 2:15pm to 8am (based on service recipient day program schedules) Monday through Friday, with the Program Coordinator available during the day for service recipient appointments and transportation. There is a second staff person available three nights each week and every other week on the weekends. Gold Trail is asleep overnight staff.

For more information on Gold Trail please contact Stacey Anderson at 651-842-9031 or sanderson@opalservicesmn.com

Greensboro - Eagan- one opening for a female resident

Greensboro is the home for younger women with developmental and intellectual disabilities. The current age range is 31-41. Some of the women at this house need assistance from staff with personal cares, both hands-on help and verbal cues. The women who live at Greensboro consider each other peers and spend most of their time together when at the house. All of the women have families who are invested in their daily lives. Most spend time with their families, especially on weekends.

This house is a split-level home with three bedrooms up and one bedroom down. There is one bathroom on each level. There is a stair lift installed on each set of steps. The house has a deck off the kitchen, where the service recipients often sit when the weather is nice. Greensboro is centrally located in Eagan. The home is located minutes away from various stores, banks and restaurants. The house is staffed 24/7 and is double-staffed evening hours and some weekend hours. The overnight staff has sleep hours from 10pm-6am.

For more information on Greensboro please contact Beth Sanftner at 651-842-9018 or bsanftner@opalservicesmn.com

Southview- South St. Paul- two openings for a male resident

Southview is located in close proximity to much of the South St. Paul and West St. Paul communities, and has easy access to bus lines for people who can utilize this service. Staff at Southview assist with meal preparation, community integration, medication management, medical appointments, personal cares and general housekeeping tasks. The house is staffed 24 hours a day. Overnight staff sleep on site for emergency response. Southview staff are familiar with mental health diagnoses and a mental health specialist from Opal visits the home regularly for face-to-face check-ins, should the men be interested in these services. Individuals living at Southview like to stay busy either by working, attending supported employment programs, day programs, or engaging in daily community outings with staff OR independently as their personalized programming allows.

The house is a split-level, with living room, dining room, kitchen, two bedrooms and a bathroom upstairs. Downstairs there is a second living area, two bedrooms, a bathroom and the laundry room. There is a large, well-kept back yard at the home with patio furniture, should any service recipients enjoy spending time outdoors.

For more information on Southview please contact Lee Sprute at 651-842-9022 or lsprute@opalservicesmn.com
