## **Hurley - West St. Paul - one opening for a male resident**

Hurley serves individuals with a mental health diagnosis. In addition, Hurley is certified as a Mental Health home. A mental health specialist from Opal visits the home weekly to meet with the men that live there and see if they are interested in sharing personal concerns, or maybe play a game of cards. Hurley service recipients enjoy going out into the community on shopping outings, restaurant visits, movie theaters or visiting with family and friends. They also help with yard work, gardening and grilling during the warmer months.

Hurley is a one level home with a basement. The home's main floor contains a common living room, bathroom, kitchen and three bedrooms. Just off the kitchen, a stairway leads down to the finished basement. On this level, there is a laundry room, bedroom, furnace room, office, and recreation room. The recreation area has a pool table. There is a wood-burning fireplace in the recreation room. This wood-burning fireplace is not in use. Hurley also has a three-season porch that is located between the kitchen and the attached garage. Located off the back of the screen porch is a patio area where the grill is located. There is a gradual cement ramp from the street to the front door. The home is located within a mile of Robert Street and near the bus line. This street has many opportunities for various restaurants and retail stores for shopping, as well as employment opportunities.

The home is staffed 24/7, sometimes with double-staff on evenings during the week (Monday through Thursday) and on weekends Hurley has asleep overnights.

## **Norway - Burnsville - one opening for a male or female resident**

Norway is located on a quiet, low traffic street in Burnsville. This house can accommodate someone with mobility issues. There is a cement ramp leading up to the front door of the home, as well a wooden ramp from the garage into the home. There are four bedrooms and a handicap accessible bathroom on the main level, with a bathroom that has a walk-in shower stall equipped with a shower chair and shower bars.

Norway is structured to have double staffing during the day Monday-Friday when there are four service recipients in the home. The overnight staff (10pm-8am) is awake. Norway offers services for low functioning males and females and service recipients who are advancing in age. Staff are trained to offer hands-on assistance with all personal cares and daily living skills.

This home is located less than two miles from downtown Burnsville, where there are many restaurants, stores, and banks. There is a park within walking distance. Service recipients can attend day programs, events in the heart of Burnsville, and organized social events such as Project Explore movie nights and dances. Norway could be a good home for someone who needs assistance with personal cares or has limited mobility.
